OUR 1941 LITTLE ROSE BOOK

Again we take pleasure in presenting to you our Illustrated Little Rose Book for your kind consideration.

We let you be the judge. Our satisfied customers have been the reason for our success. Plant Klyn's Roses and be satisfied.

All prices quoted include free delivery at your door. We pay postage and express charges.

OUR GUARANTEE IS YOUR SAFEGUARD

Every plant is guaranteed to be true to name, and to grow and bloom the first natural blooming season after planting. Every plant not true to name or failing to grow and bloom will be replaced without any cost to you the next spring or fall, provided you notify us before September 1.

We guarantee every plant to be a healthy, top-grade one, two years old, budded on Japanese Multiflora understock, and to reach you in *perfect* condition.

KLYN'S DO-BLOOM

Hybrid Tea or Everblooming Roses

The ancients crowned the Rose the "Queen of Flowers" thousands of years ago, and its fragrant beauty has influenced civilization all up through the ages.

These lovely flowers are undergoing improvement all the time, and, being Rose-lovers, we enjoy the expensive pleasure of testing the new varieties, so that only the best of the novelties will be added to our Catalogue each year.

All Roses in this section 75 cts. each, unless otherwise noted

Cut a bunch of buds and open in the house for a startling display. The plants are good bloomers. $1.00 each.

Briarcliff. An almost thornless plant with fragrant rose-pink blooms. One of the finest for cutting.

Caledonia. Large, full, fragrant, pure white flowers on long stems for cutting. A healthy, vigorous grower.

Cathrine Kordes. Large, double, glowing carmine-scarlet flowers come singly on erect, strong stems. Attractive, symmetrical plants with disease-resistant foliage.
